

2019-2020 DISTRICT BULLETIN

Amendment Number III to the 2019-2020 HCC Bulletin

Revise Step 3 on page 17 “Dual Enrollment of High School Students - Admissions Requirements and Procedures – Academic Eligibility”.

- C. The student shall request that the high school principal send an official copy of his/her high school transcript to the Admissions and Records Office at Holmes Community College at least 10 days before the beginning of the enrollment period. A home-schooled student must submit a transcript prepared by a parent, guardian, or custodian with a signed, sworn affidavit.

Add New Program of Study – “Architecture” to page 106 and 110, and insert before “Art” Program of Study on page 111.

**An AAS Degree may be
earned at this point.**

The **Criminal Justice Administration Technology** program will prepare the graduate for employment opportunities in the field of criminal justice in the areas of law enforcement, corrections, and security. The program provides the student with core courses but focuses primarily on criminal justice courses addressing different aspects of the field such as police, courts, and corrections. The program offers a Technical Certificate, an Advanced Technical Certificate and an AAS degree.

*Approved Technical Electives: CRJ 1343-Police & Community Relations, CRJ 1353-Practicum in Criminal Justice, CRJ 1373-Introduction to Homeland Security, CRJ 2713-Foundations of Terrorism, CRJ 2723-Intelligence Analysis and Security Management; CRJ 2733-Transportation and Border Security, LET 1123-Introduction to Law, LET 2313-Civil Litigation I, LET 2333-Civil Litigation II, LET 2383 Criminal Law and Procedure, LET 2653-Law Office Management, MFL 2513-Occupational Spanish, PSC 1113- American National Government, WBL 1913-Work-Based Learning I, or WBL 1923-Work-Based Learning II, or any other technical or academic course approved by advisor.

Assistance with math and/or reading will be available on a co-curricular basis to certificate-seeking students who lack entry-level skills in math and/ or reading.

Enrollment in a minimum of 15 hours each semester is recommended for eligibility for state aid, institutional scholarships, and the tuition break.

Remove the following Course Offering on page 247.

BIO 1534 – Survey of Anatomy & Physiology.

A combined lecture and laboratory course covering essential principles of human anatomy and physiology are presented, including basic chemistry, cell and tissue studies, and an overview of all the body systems. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture. Two hours laboratory. Four hours credit.

Add the following Course Heading and Offerings before “COMPUTER SCIENCE” on page 251.

COMMUNICATIONS

COM/SPT 1113 – Public Speaking I (Co-requisite: ENG 1113 or appropriate placement score for ENG 1113).

Study and practice in making speeches for a variety of public forums. Major emphasis is placed on effective speech preparation and delivery. Three hours lecture. Three hours credit.

COM/SPT 1123 – Public Speaking II. (Prerequisite: COM/SPT 1113).

A continuation in the study of public speaking with an emphasis on research, organization and delivery techniques. Three hours lecture. Three hours credit.

Add the following Course Heading and Offerings before “CRIMINAL JUSTICE” on page 252.

COOPERATIVE EDUCATION

Cooperative Education offers supervised work experience in a job setting related to the student's field of study. Four semesters of Cooperative Education are offered with 1 semester hour credit available each Fall and Spring term. Credit will be awarded based on 15-19 hours worked per week = 1 hour credit. A maximum of 4 hours of COE credits may be applied toward graduation requirements.

COE 1011 - Cooperative Education Work Experience I.

First supervised work experience performed in a job setting related to the student's major field of study. One hour credit.

COE 1021 - Cooperative Education Work Experience II.

Second supervised work experience performed in a job setting related to the student's major field of study. One hour credit.

COE 1031 - Cooperative Education Work Experience III.

Third supervised work experience performed in a job setting related to the student's major field of study. One hour credit.

COE 1041 - Cooperative Education Work Experience IV.

Fourth supervised work experience performed in a job setting related to the student's major field of study. One hour credit.

Add the following Course Offering under “ENGLISH” Heading on page 255.

ENG 1033 - Technical English.

This course is designed specifically for Career Tech students who are pursuing the A.A.S. degree. In this course, students will focus on appropriate writing for business and industry and will produce technical documents, which may include resumes, letters, emails, memos/reports, proposals, multimedia presentations, and other related documents. Three hours lecture. Three hours credit. (Not designed to transfer).

Revise the following Course Offering under “ENGLISH” Heading on page 255.

ENG 1113 – English Composition I (Prerequisite: ENG 0124 or ENG 1033 with C or appropriate placement score).

This course prepares the student to think critically and compose texts for academic and professional rhetorical situations. Three hours lecture. Three hours credit.

Revise the following Course Offerings under “MUSIC FOUNDATIONS” Heading on page 269.

MUS 1133 – Fundamentals of Music. A minimum grade of “C” is required to progress to MUS 1214 Music Theory I.

Study of basic knowledge of music fundamentals to prepare students for music theory. Concepts include: notation, scales, keys, rhythm, intervals, triads, and their inversions. Three hours lecture. Three hours credit.

MUS 1214 – Music Theory I Lecture/Lab (Prerequisite: MUS 1133 with “C”). A minimum grade of “C” in each level of Theory is required to progress to the next level. Music Theory sequence must progress with Class Piano I, II, III, & IV as well as with the applied lesson.

Study of functional harmony through analysis and part-writing. Lab instruction. Development of music sight-singing, ear training and dictation skills. Three hours lecture. Two hours laboratory. Four hours credit.

MUS 1224 – Music Theory II Lecture/Lab (Prerequisite: MUS 1214 with “C”). Music Theory sequence must progress with Class Piano I, II, III, & IV as well as with the applied lesson.

Continued study and review of functional harmony through analysis and part-writing. Lab instruction. Development of music sight-singing, ear training and dictation skills. Three hours lecture. Two hours laboratory. Four hours credit.

MUS 2214 – Music Theory III Lecture/Lab (Prerequisite: MUS 1224 with “C”). Music Theory sequence must progress with Class Piano I, II, III, & IV as well as with the applied lesson.

Continued study and review of functional harmony through analysis and part-writing. Lab instruction. Development of music sight-singing, ear training and dictation skills. Three hours lecture. Two hours laboratory. Four hours credit.

MUS 2224 – Music Theory IV Lecture/Lab (Prerequisite: MUS 2214 with “C”). Music Theory sequence must progress with Class Piano I, II, III, & IV as well as with the applied lesson.

Continued study and review of functional harmony through analysis and part-writing. Introduction to twentieth century techniques. Lab instruction. Development of music sight-singing, ear training and dictation skills. Three hours lecture. Two hours laboratory. Four hours credit.

Remove the prerequisites for the following Course Offerings under “PHYSICS” Heading on page 272.

PHY 2244 – Physical Science Survey I.

A combined lecture and laboratory course that includes studies of measurements and units, electricity, mechanics, heat, sound, light, and astronomy. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture. Two hours laboratory. Four hours credit.

PHY 2254 – Physical Science Survey II.

A combined lecture and laboratory course that includes studies of chemistry, geology and meteorology. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture. Two hours laboratory. Four hours credit.

Add COM Prefix to show cross listing for the following Course Offerings under “SPEECH AND THEATER” Heading on page 275. All program pages with these courses will be updated to reflect the cross listing.

SPT/COM 1113 – Public Speaking I (Co-requisite: ENG 1113 or appropriate placement score for ENG 1113).

Study and practice in making speeches for a variety of public forums. Major emphasis is placed on effective speech preparation and delivery. Three hours lecture. Three hours credit.

SPT/COM 1123 – Public Speaking II. (Prerequisite: SPT/COM 1113).

A continuation in the study of public speaking with an emphasis on research, organization and delivery techniques. Three hours lecture. Three hours credit.

I certify the above amendment is true and correct in content and in policy.

Dr. Jenny Jones, Vice President for Academic Programs

October 18, 2019
